Year-end gifts make a lasting difference

at The University of Texas MD Anderson Cancer Center

There are many ways to join us in Making Cancer History®. Use the following checklist to identify gift options that might fit with your planning goals. Then, contact us to find out more about opportunities to make a difference in 2019 and beyond.

|  GIFT OPTION | KEY BENEFITS |
|---|---|
| Cash | The easiest gift to complete. Write a check or contact us to make a gift via credit card. |
| Appreciated stock | Give stock held more than one year and pay no capital gains tax. The full value qualifies for a deduction if you itemize. |
| Gift that gives back | Receive lifetime income from a charitable gift annuity. There can be one or two income beneficiaries. |
| Grant from donor-advised fund | The gift is simple to complete and uses funds already set aside for charitable purposes. |
| Transfer from IRA | If you are required to take a distribution, a transfer from your IRA to us counts toward your required distribution and no tax is due. (Annual aggregate limit for transfers is \$100,000.) |

Be sure to consult your tax and financial advisors when considering any planned gift.

Plan ahead

Your gift must be completed by Dec. 31 to qualify for 2019 tax benefits.

Contact us today and we will send our free brochure, 10 Year-End Taxpayer Strategies. It provides helpful tips and reminders for you and your advisors.
